

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

3 March 1982

MEMORANDUM FOR: Foster J. Collins
Special Assistant to the Secretary for National Security

SUBJECT: Treasury Nomination to Fill Vacancy in the National
Intelligence Council

I appreciate your response to our request for candidates to fill a vacancy on the National Intelligence Council. As discussed with [redacted] personally, we have decided that our predominant need is for military expertise, and have chosen a candidate accordingly. We have developed a healthy respect for [redacted] capabilities from his participation in various community meetings, however, and would certainly have considered him a prime candidate were it not for this requirement.
